

# Mom, Cool and Collected

Give Mom some pampering and style with these great Mother's Day gift ideas.

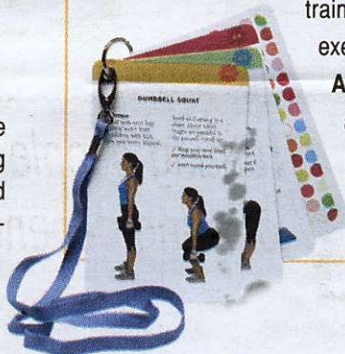

## for the butterflies

For the mom who loves beautiful, natural things, this butterfly house by Barnstorm is the perfect gift. The round, wooden house features a latched door, pinecone shingles and a glass ornament doorknob. Keep an eye on your flying friends through the three openings in the door. **Available at uncommongoods.com for \$40.**

## easy on the eyes

Bring a luxurious spa treatment to Mom with Eye Eco's Relax Water Therapy Calming and Hydrating Eye Spa. Place the tiny heating pads and moistened cushions in the goggles, and spray a little of the lavender spray on the face. The result is stress relief and minimized lines.

**Available at eyeeco.com for \$49.**

## sanity's so overrated

With the Sane Fitness Quickstart Deck, Mom can get moving and make a noticeable change in her body in six weeks. The package contains three decks of cards, all of which fit easily on the ring and lanyard for easy access. Each card features the name of an isolation exercise, a description of how to do it and a photo of the cards' creator, Beverley Caen or her trainer, John Cruz, executing the move.

**Available for \$24.95 at sanefit.com or by calling 800-429-5001.**

## a dollop of daisy

For the spendy crowd, Tiffany's new Picasso Daisy pendant is a perfect selection. The sterling silver charm hangs on a 16-inch sterling silver chain. Available at Tiffany & Co. at the Mall at Green Hills, 2126 Abbott Martin Road for \$185. **Learn more at tiffany.com.**

## let it grow, let it grow, let it grow

Mom's got good taste, and so do the fresh herbs, strawberries and tomatoes she can grow in an AeroGarden. The aeroponic indoor garden allows plants to grow without dirt. Minimal effort is involved, so no green thumbs are needed. Harvest fresh herbs, tomatoes, strawberries, salad greens, chili peppers and more within weeks. **Available at aerogrow.com for \$169.92, which includes the AeroGarden, DVD and starter herb kit. Additional kits range from \$19.95 - \$39.95.**

## made in the shade

Let Mom unwind beneath her very own canopy paradise. The Quik Shade Décor Instant Gazebo is a 10-foot-by-10-foot polyester canopy offering 97 percent UV protection. The shade sets up in about 10 minutes, and a vented top keeps it cool. Store it in the accompanying carry bag with wheels. Available in six patterns at hammacherschlemmer.com or Academy Sports for \$199. **Learn more at quickshade-décor.com.**
